COACHES AND FAMILIES TESTIMONIALS

We started working with Darryl and his team when our son was starting midget u18 AAA hockey in Brandon. They have helped us understand the path moving forward and thinking outside the box in reaching your goals. Darryl is always there to support you and help you make the best decisions. Harry has been so valuable in helping us de-stress, stay motivated and move through adversity with his extensive experience as a player and coach.

Working with Darryl and Harry at CHFA has been an incredible experience! They have been there for me every step of the way, helping me navigate the transfer process and find the best opportunities. Darryl's dedication and Harry's understanding have made my journey to Division 1 hockey a reality. They're always available to answer my questions and have my best interests in mind.
